Pour the contents into 8–12 ounces of water and stir or shake well.

Drink anytime you may feel stress building or enjoy at the end of the day to help decompress, relax, and recover.\*

## SENSORIL®

A multi-patented, standardized extract of the adaptogenic (balancing) Ayurvedic botanical Ashwagandha, which helps reduce excess stress. In human clinical trials, this proprietary nutraceutical complex of ingredients was found to significantly lower elevated cortisol levels.\*

Sensoril® also contains a patented fiber complex with multiple health benefits. It is an effective prebiotic, and it also supports healthy digestive function.\*

## ALOVÉA AE™ (ACEMANNAN EXTRACT)

Stress is a major contributor to the immune system's constant release of pro-inflammatory molecules that can over time damage healthy cells and tissues. This dysfunction has been identified as the root cause of almost every auto-immune disorder.\*

Alovéa AE™, Alovéa's proprietary Aloe vera extract contains high levels of immune-optimizing Acemannan, to support the proper modulation of the immune system's pro- and auto-inflammatory responses.\*

Every Alovéa product purchased helps to nourish children in need through our Buy 1, Nourish 7™ giving initiative. For details, visit us online at [alovea.com/hopemovement](http://alovea.com/hopemovement)
